THE SALANDA SA

Does not make good clothes. It's a combination of good clothes, stylish cutting and perfect tailoring. The clothes that we have sold to the most particular fault finders in this town, and pleased them mightily, and we want to say right here that these difficult-to-fit men make selling clothes a pleasure, because there is SO MUCH SATISFACTION IN BEING ABLE TO PLEASE A MAN whom everybody says can not be pleased at all. We will put our time agains yours whenever you say so, and if you are bent on buying a suit or an Overcoat, and are willing to pay anywhere from \$5 to \$30, we will give real value for your money, and you shall be the judge entirely, for we are ready to give you your money back it you are dissatisfied.

Remember this rule applies to everything we sell. Men's Clothing, Boy's Clothing, Children's Clothing, Furnishings, Hats, Caps, Gloves, Trunks and Valises, all of which we are headquarters for. With our purchasing power for four stores, we feel assured of our ability to give you values.
